Once You’re on Campus

- On your right, pass a house and one service entrance before coming to a road. Take this first road on your right. Drive to the end of this road until it curves to the left. Immediately after the curve, take the first left-hand turn into the Gray parking lot. There is visitor parking straight ahead.
- A paved walking path leads to the Stone Center. If you are facing the visitor spaces from the back of the lot where you came in, this path is on the right, adjacent to the visitor spaces. Come in the front door of the building and up the large staircase on your right. When you reach the top floor, come in to room 409.
